

Scholarship program strengthening academic-industrial relations

 *Mumbai*

WHAT

- Scholarships provided to economically marginalized enthusiastic learners/ students in order to undertake higher education
- Scholarships given to Bachelor of Technology (B.Tech), Master of Technology (M.Tech) & PHD students paying their academic fees

WHY

- Deserving students from financially weaker communities often face roadblocks in getting enrolled in the premiere institutions like the top IITs. Hence through scholarships/ fellowship we encourage students to get enrolled in the main stream of higher education. many bright students to take admissions for B.Tech and M.Tech
- TC MPL employees mentor the fellows during their research study and series of lectures are held in the institute thus creating a link between the academics and industry

PARTNERSHIP

Vivekanand Education Society

The Vivekanand Education Society (VES) is a Mumbai-based non-profit educational society founded in 1962 that operates 26 educational institutions (tertiary and secondary) located in the area surrounding Chembur, a suburb situated in central Mumbai, India. The Society's aim is to impart quality education to all including the economically backward classes thereby playing an important role in the progress of our country.

Veermata Jijabai Technological Institute

VJTI Mumbai is an autonomous institute that Maharashtra State Government owns. Established in 1887. It is one of the oldest engineering colleges in Asia and has played a significant role in the development of engineering education in India.
